

Halloween and Fireworks Night should be fun for everyone - not a nightmare!

Remember, remember:

- Causing harassment, alarm or distress to others and/or damaging homes or property are criminal offences and could land you with a criminal record
- Letting off fireworks after 11pm or in a public place is illegal* and always follow the Firework Code.

*Except for November 5th when the curfew is midnight and for Diwali, New Year's Eve and Chinese New Year, when fireworks can be let off until 1am.
